A Few Words from our Chairman

Greetings Optimists

2016-17 is our 90th Season

A look back at 2015-16

Men's 2nd XI won promotion

Men's Fledglings won promotion

Ladies over 35 Veterans won the National Plate final

Ladies 2nd XI won promotion

Easter Festival was superbly organised and great fun had by all

Deryl Gilham-Jones is playing as a veteran player for Wales

FOHC recently named Sports Club of the Year at the recent Shepway Sorts

Trust awards held at Leas Cliff Hall

Club gain England Hockey "Club Mark"

More of our Juniors qualified for the Kent Development Programmes (JDC and JAC)

A brilliant summer mixed league competition organised by John Hodgman

Some of my personal memories - Not all of them!!

- Vicki Baxter scoring outrageous goals with delicate flicks over the keeper
- Max Howitt frightening the life out of opposition players with his speed and skill. Watch out for this one!!
- Nicki Ball controlling the midfield with inch perfect passes to dissect defences
- Delight on Jamie Whitham's face when he scored his first goal for the Ops
- Jason Wilkins stalwart defending with speed and accuracy
- Joy on the face of Penny Arnold after being part of the team that won the national final
- Brian Murrill's pride when he won the award for Shepway Veteran Sports person of the Year at the recent Shepway Sports Trust Awards

The Club continues to develop and grow. We are a very sociable Club and I'm sensing there's a will to play better and achieve success from our 1st XI's which will have a tow rope effect on the other teams.

Optimists should be known and remembered for playing with spirit, being respectful and having a sense of fun.

Enjoy your hockey!!

Playing notifications

The club currently uses **TEAMER** player management software to notify players of their games and fixtures. For this system to work the Men's and Ladies selection committees rely on prompt replies whether by email or SMS. Please make sure your email and phone number are always up to date on the system as this can only be carried out by you. If you know in advance that you cannot play on a certain date, then **Teamer** allows you to put a notification that will automatically tell the selection committee you are unavailable.

Please check your email regularly as **Teamer** messages will come through there due to the cost of sending them out via text message.

If you need to get up to speed with how **Teamer** works then visit their website at: www.Teamer.net where there are numerous videos, and help information.
