## A Few Words from our Chairman

Greetings Optimists. Another season is upon us – our 94<sup>th</sup>!!

Quite soon, you should all see the construction begin of a filming tower for pitch 1. This will be of great use to coaches and captains to film games and training and be able to review team and player performance in more detail. We also hope that we will be able to “live stream” games through the internet and possibly on to screen in the club house.

Provision of a spectator area is ongoing. We have identified a company that can provide seating in the form of bleachers for about 100 people and we are almost ready to instruct a company to carry out the ground works and move fencing. The ambition is to have cover too, but this will be subject to having enough funds from the bequest left to us by Brian Swoffer, which we wanted to use for a lasting memorial in tribute to Brian’s love for the Club.

The Junior Section is thriving, and Erin Fuller has more people who have offered help which means there are more coaches, leaders and organisers for our youngsters. We provide coaching for almost every junior school in the area led and organised by Dave Parsons and this will lead to more youngsters playing hockey and identifying with FOHC as their local club as they progress.

Chris Pearce will continue to coach the Men’s 1<sup>st</sup>/2<sup>nd</sup> XI squads and manage the 1<sup>st</sup> XI on Saturdays. The Ladies have secured Phil Ithurralde to coach the 1<sup>st</sup> XI this season. We also welcome Phil and Clare Readman back to the Club after their adventures abroad and in Darlington.

Can you all please be proactive in getting your subscriptions paid which are due from 1<sup>st</sup> September. This is the Club’s income and we need the funds to pay for everything so you can all play hockey.

Finally. Show your pride in playing for the Optimists. Be welcoming and courteous to the opposition and umpires and most of all - Enjoy your hockey!!

Leigh Marshall  
Chairman

## Playing notifications

The club currently uses **TEAMER** player management software to notify players of their games and fixtures. For this system to work the Men's and Ladies selection committees rely on prompt replies whether by email or SMS. Please make sure your email and phone number are always up to date on the system as this can only be carried out by you. If you know in advance that you cannot play on a certain date, then **Teamer** allows you to put a notification that will automatically tell the selection committee you are unavailable.

Please check your email regularly as **Teamer** messages will come through there as they are no longer sent out via text message.

If you need to get up to speed with how **Teamer** works then visit their website at: [www.Teamer.net](http://www.Teamer.net) where there are numerous videos, and help information.

# Subscriptions & Match Fees

	Subs	Match Fee
<b>ADULT</b> <i>(In full/part-time employment over 16hrs/week)</i>	£160	£10
Goalkeepers using their own kit	£160	£7
